PROGRAM PRESENTATION – INFORMATION SYSTEMS FISCAL YEAR 2012

ACCOMPLISHMENTS

Jennifer Thompson, Information Technology (IT) Manager within the Compliance and Information Systems Division, presented an overview of the accomplishments within the IT Department in

Fiscal Year 2012. The Department's basic responsibilities include providing a safe and secure network, ensuring the integrity and accuracy of data, resolving day-to-day issues, and maximizing employee uptime. In keeping with those responsibilities, following are recent accomplishments of the Agency's IT Department:

- Network Overhaul – “Upgraded Hardware + Ability to Expand = Future Ready”
Network upgraded from Class C to Enterprise Grade Class A via hardware, logical addressing, and physical topology
- “HAL” – Network hardware and software monitoring; customizable email/text message alerts; high performance
- Web Filter – Network bandwidth monitoring and Malware prevention
- WiFi – Expands network boundaries, allows secure user log on, wireless access points in each wing of the building, and makes PowerPoint broadcast possible
- “Ghost” Server installed on “HAL” – Captures Windows 7 installations, distributes installations over the network to client PCs (reduces reformat time from approximately 4 hours to 22 minutes)

Ms. Thompson noted that the IT Department consists of three staff positions—Information Technology Manager, Network Analyst, and Network Support Technician—that provide a wide array of IT services to the Agency and maintain the 200+ computers/printers used by employees at the on-site and off-site locations.

The Fiscal Year 2012 Proposed Budget Revision for DPCS and explanation of major changes proposed by each Division were distributed in the Board Packet. The Board's program committees had reviewed and approved the budget revisions for their respective service division. Jim Bebeau reported that the Board's Budget, Finance, and Operations Committee met June 7, 2012, for review of the Fiscal Year 2012 Proposed Budget Revision for the Total Agency and presented recommendation of the Committee that the Board approve DPCS' Fiscal Year 2012 Proposed Budget Revision, setting the Agency budget at \$19,203,183 for Fiscal Year 2012.

recommendation of the Committee that the Board approve DPCS' Proposed Budget totaling \$20,918,243. The Agency's Proposed Budget includes provision for a two percent merit raise on employees' performance anniversary dates and a one-time adjustment to the salaries of all full-time employees enrolled in the Virginia Retirement System.

Motion was made by Roy Ford and seconded by Julie Brown to approve DPCS' Fiscal Year 2013 Budget in the amount of \$20,918,243, as recommended by the Budget, Finance, and Operations Committee. The motion passed unanimously.

Fiscal Year 2013 and Fiscal Year 2014 Performance Contract

The Fiscal Year 2013 and Fiscal Year 2014 Performance Contract was distributed in the Board Packet. Beginning with Fiscal Year 2013, the 2012 General Assembly enacted changes to Virginia Code §37.2-508 regarding the Performance Contract between the Department of Behavioral Health and Developmental Services (DBHDS) and all Community Services Boards. For Fiscal Year 2013 and future fiscal years, the Performance Contract will be a two-year contract in parallel with the State budget. In the second year of the Performance Contract, only the statistical data in Exhibits A, E, F, G, and H of the Contract will be updated. Allen Thorn reported that the Board's Budget, Finance, and Operations Committee met June 7, 2012, for review of the Fiscal Year 2013 and Fiscal Year 2014 Performance Contract and presented recommendation of the Committee that the Board approve DPCS' Fiscal Year 2013 and Fiscal Year 2014 Performance Contract with DBHDS. The Committee also recommended that the Board authorize its Chairperson to approve any minor changes to the Performance Contract required by DBHDS.

Motion was made by Ronald Merricks and seconded by James Clark to approve the Fiscal Year 2013 and Fiscal Year 2014 Performance Contract between DPCS and DBHDS, with authorization for the Board's Chairperson to approve any minor changes to the Performance Contract required by DBHDS. The motion passed unanimously.

Virginia Retirement System Resolutions

A. Employer Contribution Rates for Counties, Cities, Towns, School Divisions, and Other Political Subdivisions

Cindy Lewis presented a proposed Resolution for Board consideration regarding DPCS' employer contribution rate to the Virginia Retirement System (VRS). The 2012 General Assembly passed the 2012 Appropriation Act, Item 468(H) to offer localities, schools, and political subdivisions some budget relief for the coming fiscal year with respect to the amount of their retirement contribution. As a result, the VRS has provided DPCS a choice of electing to pay the Certified Rate of 7.13% or the Alternate Rate of 4.99% for Fiscal Year 2013. Choosing the Alternate Rate would reduce the contributions to DPCS' employer account and the investment earnings generated, which would mean fewer assets available for benefits. The Alternate Rate would also result in a lower funded ratio when the next Actuarial Valuation is performed, resulting in a higher calculated contribution rate for DPCS at that time. Ms. Lewis reported that DPCS management reviewed the future fiscal implications inherent in use of the Alternate Rate and recommends that the Certified Rate of 7.13% be adopted for DPCS' employer contribution rate for Fiscal Year 2013. This recommendation of adopting the Certified Rate is also consistent with DPCS' long-standing practice.

Roy Ford made motion to adopt the Resolution for Employer Contribution Rates with election of the 7.13% Certified Rate as DPCS' contribution rate to the VRS effective July 1, 2012, in accordance with the 2012 Appropriation Act, Item 468(H). Anne Geyer seconded, and the motion passed unanimously.

A copy of the Resolution as adopted and signed is attached (Attachment 1) and becomes a part of the Meeting Minutes.

B. Member Contributions by Salary Reduction for Counties, Cities, Towns, and Other Political Subdivisions

Cindy Lewis presented a proposed Resolution for Board consideration regarding member contributions to the Virginia Retirement System (VRS) by salary reduction. The 2012 General Assembly passed legislation requiring employees who are eligible to participate in the VRS and whose employer currently pays all or part of the five percent contribution on their behalf to begin paying the member contribution effective July 1, 2012, on a pre-tax salary reduction basis. DPCS employees are affected since the Agency currently funds the five percent member contribution for all its VRS-eligible employees. The new legislation gives employers the choice of phasing in the amount for employees hired prior to July 1, 2012, or commencing the entire five percent member contribution all at once. The legislation does not give employers any discretion for employees hired after July 1, 2012; therefore, employees hired after July 1, 2012, must pay the full five percent upon employment. The legislation also stipulates that regardless of which option is chosen for employees hired prior to July 1, 2012, a salary increase sufficient to offset the added VRS cost must be provided to the employee. Ms. Lewis reported that in order to maintain consistency among VRS-eligible employees hired prior to and after July 1, 2012, DPCS management recommends commencing the entire five percent member contribution all at once. This option will require all existing VRS-eligible employees to pay the full five percent member contribution with an offsetting salary increase effective July 1, 2012.

Motion was made by Ronald Merricks and seconded by Roy Ford to adopt the Resolution for Member Contributions by Salary Reduction requiring all VRS-eligible employees of DPCS to pay the full five percent member contribution with a corresponding salary increase, in accordance with Chapter 822 of the 2012 Acts of Assembly (SB497). The motion passed unanimously.

A copy of the Resolution as adopted and signed is attached (Attachment 2) and becomes a part of the Meeting Minutes.

Board Policy Revisions

Cindy Lewis reported that the Budget, Finance, and Operations Committee met June 7, 2012, to review proposed revisions to the following Board Policies:

1. Compensation Policies
2. Employee Benefits
3. Separation of Employees Policy

These policies are directly and indirectly affected by the 2012 General Assembly's action to require local government employees to contribute five percent of their creditable compensation to the Virginia Retirement System (VRS) through payroll deduction. Proposals for revision of the current policies along with explanation of the proposed revisions were distributed with the Board Packet for this meeting. Ms. Lewis presented recommendation of the Committee that the Board approve the revisions and that all revisions become effective July 1, 2012.

Motion was made by William Brown and seconded by James Clark to approve revisions of the Compensation Policies, Employee Benefits, and Separation of Employees Policy as recommended by the Budget, Finance, and Operations Committee and that the revised policies become effective July 1, 2012. The motion passed unanimously.

Grant Application – Virginia Department of Social Services (Prevention Services)

Amanda Oakes requested Board approval to submit application to the Virginia Department of Social Services for a grant in an amount not to exceed \$57,000, and approval to accept the grant funds if awarded. The funds would be used to continue support for a Case Manager/Family Support Worker position and Healthy Families Coordinator position for DPCS' *Healthy Families Program*. This voluntary in-home Program targets families that have children who are at risk for child abuse and neglect or developmental problems. The Program provides long-term education and resource management. Due to the deadline for submission of grant application being prior to

June 28, 2012, the Board's Prevention Services Committee considered and approved submission of application pending Board action at its June 28, 2012, meeting. Should the Board not approve the request, the application will be rescinded.

Motion was made by Julie Brown and seconded by Polly Humphrey to approve application to the Virginia Department of Social Services for a grant in an amount not to exceed \$57,000, and approval to accept the grant funds if awarded. The motion passed unanimously.

Grant Application – Virginia Department of Alcoholic Beverage Control (Prevention Services)

Amanda Oakes requested Board approval to submit application to the Virginia Department of Alcoholic Beverage Control for a grant in an amount not to exceed \$10,000, and approval to accept the grant funds if awarded. The grant would be utilized in coalition with the local Regional Alliance for Substance Abuse Prevention (RASAP) Coalition with DPCS serving as fiscal agent. The funds would be used to enhance and expand programs and initiatives to reduce underage drinking in partnership with local law enforcement agencies. The project would allow RASAP to bring to the area high school students a highly interactive and impactful drugged driving simulation experience and promote RASAP's *Party's Over* campaign. Due to the deadline for submission of grant application being prior to June 28, 2012, the Board's Prevention Services Committee considered and approved submission of application pending Board action at its June 28, 2012, meeting. Should the Board not approve the request, the application will be rescinded.

James Clark made motion to approve application to the Virginia Department of Alcoholic Beverage Control for a grant in an amount not to exceed \$10,000 on behalf of RASAP with DPCS serving as fiscal agent for the grant, and approval to accept the grant funds if awarded. Dan Angell seconded, and the motion passed unanimously.

Grant Application – Aflac Incorporated (Behavioral Health Services)

Mindy Conley requested Board approval to submit application to Aflac Incorporated for a grant in an amount not to exceed \$2,000, and approval to accept the grant funds if awarded. The grant would be used to help fund DPCS' *A New Lease on Life* primary care/mental health care integration program. The program, which is a collaborative initiative with Piedmont Access to Health Services (PATHS) and The Free Clinic of Danville, experienced a reduction of \$20,648 in 2012 funding from the Virginia Health Care Foundation. DPCS, PATHS, and The Free Clinic of Danville are attempting to raise the reduced funds through smaller grants. At this juncture, \$10,000 has been raised by PATHS toward this fundraising goal.

Ronald Merricks made motion to approve application to Aflac Incorporated for a grant in an amount not to exceed \$2,000, and approval to accept the grant funds if awarded. Dan Angell seconded, and the motion passed unanimously.

DISCUSSION ITEMS

Ashlawn View Group Home

Richard Gary reported on the Ashlawn View Group Home project to construct a four-bedroom house for use as a group home for individuals with intellectual disability through a Section 811 Supportive Housing for Persons with Disabilities Grant with the U.S. Department of Housing and Urban Development (HUD). After multiple delays in the review process, HUD issued a Firm Commitment on May 30, 2012. Following is the funding breakdown:

- August 3, 2010 – HUD issued a Notice of Grant Award in the amount of \$574,000 for planning, acquisition, and construction of the group home.
- May 30, 2012 – HUD issued a Firm Commitment in the amount of \$646,400, which included a pending request for \$72,400 in amendment funds to cover the difference between the initial grant award and the actual projected cost of the project.
- As the Project Sponsor, DPCS is required to fund \$3,232, which is the minimum capital investment. DPCS will also fund \$11,519 for offsite facility development associated with the cost of bringing utilities to the site.

DPCS will begin the process for submission of the numerous forms required by HUD to address the amendment funds included with Firm Commitment.

Jim Bebeau reported on status of the grant requirement that DPCS, as Project Sponsor, demonstrate control of the project site, either through ownership of the property or Option to Purchase. DPCS currently has an Option to Purchase on property located on Ashlawn Drive, Danville, for a purchase price of \$10,000. The Option to Purchase was originally executed September 10, 2009. Due to numerous delays with the HUD project, the Option has been extended four additional periods, for a total of \$2,700 paid at this juncture. The \$2,700 will apply toward the total purchase price. Due to continued delay with the HUD project, action is currently pending to either extend the Option for a fifth additional period or move forward with purchase of the property.

Commonwealth of Virginia's Settlement Agreement with the U.S. Department of Justice

Richard Gary gave an update on the Settlement Agreement between the U.S. Department of Justice (DOJ) and the Commonwealth of Virginia. In February 2011, DOJ released the findings report of its three-year investigation of the five training centers operated by the Department of Behavioral Health and Developmental Services (DBHDS). The investigation was in regard to the centers' compliance with Title II of the Americans with Disabilities Act, which requires that individuals with disabilities receive services in the most integrated setting appropriate to their needs. The investigation findings summary concluded that inadequacies and systemic failures have resulted in prolonged institutionalization to individuals with intellectual and developmental disabilities who could be served in the community. In March 2011, DBHDS entered into negotiations with DOJ in an effort to reach a settlement without subjecting the Commonwealth to
