

Temporarily Unemployed...
 Working Reduced Hours...
 No longer covered by your employer's health plan...
NEED HEALTH INSURANCE...

...because of the COVID-19 pandemic?

WE CAN HELP!

We will answer your questions and help you apply for Medicaid health insurance, by phone for FaceTime. You or your family members may qualify if you or they:

- Are a Virginia resident, age 0 - 64
- Do not have Medicare, or are not eligible to receive Medicare, and
- Live in a household with a qualifying income listed on this chart:

Household Size	Adults (ages 19 - 64) Gross Income*		Children, Pregnant Women & Plan First Gross Income*	
	Monthly	Yearly	Monthly	Yearly
1	\$1,469	\$17,609	\$2,181	\$26,158
2	\$1,983	\$23,792	\$2,946	\$35,342
3	\$2,499	\$29,974	\$3,711	\$44,526
4	\$3,014	\$36,156	\$4,477	\$53,710
Additional person add	\$516	\$6,183	\$766	\$9,184

Notes:

- Gross Income* = Monthly income before taxes.
- Your home, land and retirement savings **do not count** as income for Medicaid/FAMIS eligibility.
- COVID-19 stimulus checks and Economic Income Payments from the IRS, and additional federal unemployment **do not count** as income.
- A pregnant woman counts as 2 people when applying, more if she is expecting twins/triplets/etc.
